

LAGUNA BEACH UNIFIED SCHOOL DISTRICT

INTERDISTRICT ATTENDANCE

BP 5117

Students

The Governing Board recognizes that parents/guardians of students who reside in one district may, for a variety of reasons, choose to enroll their child in a school in another district.

The Board may enter into an agreement with any other school district for the interdistrict attendance of students who are residents of the districts.

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed to by both districts for reapplication and/or revocation of the student's permit.

Upon receiving a permit for transfer into the district that has been approved by the student's district of residence, or upon receiving a written request from the parent/guardian of a district student who wishes to enroll in another district, the Superintendent's designee shall review the request and may approve or deny the permit, subject to the terms and conditions of the interdistrict attendance agreement as delineated in Administrative Regulation 5117.

Transportation

The district shall not provide transportation for students who are granted an interdistrict transfer.
